SUCCESS COMES WITH SAVING

If you want to know whether you are destined to become a success or a failure in life you can easily find out. The test is simple and it is infallible: Are you able to save money? If not, drop out; you will lose. You may think not, but you will lose as sure as you live. The seed of success is not in you. The man or woman who saves systematically is heading for greater things. A Savings Account with 3 per cent interest will enable you to build an opportunity fund.

FOGGY?

If Bilious, Constipated or
Headachy take
"Cascarets."

Tomorrow the sun will shine for you. Everything will seem clear, rosy and bright. Your system is filled with liver and bowel poison which keeps your skin sallow, your stomach upset, your head foggy and aching. Your meals are turning into poison, gases and acids. You can not feel right. Don't say bilious or constipated. Feel splendid all ways by taking Cascarets occasionally. They act without gripping or inconvenience. They never sicken you like Calomel, Salts, Oil or nasty, harsh pills. They cost so little too—Cascarets work while you sleep.

LIFT OFF CORNS!

Apply few drops then lift sore,
touchy corns off with
fingers

Doesn't hurt a bit! Drop a little
Freezone on an aching corn, instantly
that corn stops hurting, then you lift it
right out. Yes, magic!

A tiny bottle of Freezone costs but a few cents at any drug store, but is sufficient to remove every hard corn, soft corn, or corn between the toes, and the calluses without soreness or irritation.

Freezone is the sensational discovery of a Cincinnati genius. It is wonderful.
